

Become a Trustee of Boleskine Community Care

Could you help shape the future of our community?

Boleskine Community Care is looking for new trustees to join our Board and help guide the charity as it continues to grow and develop.

Our trustees play an important role in helping Boleskine Community Care remain strong, sustainable and focused on the needs of our local community.

You don't need to have been a trustee before. We welcome people with different skills, experiences, backgrounds and ideas. Most importantly, we're looking for people who care about our community and want to make a positive difference.
